

Plastic Grommets & Washers

Plastic grommets are a great alternative option to metal grommets. The clear plastic allows the printed banner artwork to show through the grommet.

COLOUR RANGE

Our plastic grommets are clear as standard. Coloured plastic grommets can be produced on request.

TECHNICAL SPECIFICATIONS

Metric	A	B	C	D	E	F	G
M8	Ø7.8	8.0	1.5	Ø15	-	-	-
